Thank you so much for your evaluation. It's most important that we do a thorough background check on everyone that applies for a position with USGTC. Your recommendation will be kept in strict confidence. Feel free to contact me personally if you wish to discuss your recommendation.

Working at USGTC will include a two-day training program that involves leadership, organizational skills, and gymnastics coaching. Our Junior Counselors work out with some of the finest athletes and coaches from around the world. My hope is to provide a program that will benefit our junior counselors, your gym club and USGTC.

Mike Jacobson/USGTC Owner (561) 743-8550

Please rate our applicant -1 to 10. 10 is best

A person who has high moral standards. ___

A person who you trust. ___

A person who is always on time. ___

A person who is liked by his or her peers. ___

A person who is physically healthy. ___

A person who is a good listener. ___

A person who is likely to help in an emotional situation, instead of adding to the emotional problem. ___

A person who will put children's needs well above their own. ___ A person who doesn't embarrass other people. ___

A person who is willing to work extremely hard because he knows that all the duties are important to the success of the USGTC program, and the well being of our campers and other staff. ___

A person who wants to be a leader and not a follower. ___ A person who tries to make people feel good about themselves. ___

A person who has the courage to say NO when it is in the best interest of others! ___

A person who tries to help solve problems, rather than complain about them. ___

A person who would consider the safety of children and staff, before reacting to a situation. ___

A person who will go out of their way to meet people who might need encouragement. ___

A person that you would hire to coach and take care of your child in an overnight camp program

We are always looking for good staff and Junior Counselors. We have a great training program that will benefit your program.
